Elementary School

Classes offered for Enrichment

8:15 AM to 12:15 PM

Monday – Friday July 3 – 28

No School on July 4, 2017

***K~5 Students Participate in
"Musical Adventure"***

South Bay Enrichment Academy, a program of Torrance Education Foundation (TEF), provides students from Torrance Unified School District (TUSD) and surrounding South Bay communities a fully WASC-accredited summer academic experience. Our curriculum, designed by credentialed TUSD teachers and offered at all levels for incoming K – 12th grades, enables students to maximize their potential for success. High School class work provides students with acceleration, advancement and credit recovery, while elementary and middle school classes are designed to supplement and enrich student learning. Every student will benefit from small class sizes and the intellectual engagement to maintain the momentum of their educational accomplishments.
