Before and After School Enrichment Program
TORRANCE-SOUTH BAY YMCA

Now Enrolling

The YMCA will be providing Before and After School Enrichment programs on your Torrance Elementary School Campus in room 11. The Y provides safe, affordable, quality enrichment for youngsters during the hours when there may be no adult supervision in the home. Children will have the opportunity to engage in activities which will benefit them emotionally, physically, and socially through activities such as crafts, physical fitness, field trips, snacks, character development, STEM programming and homework time.

Sign up: YMCA child care/camp office.
